

GEORGE CHIKHLADZE

Moscow, Russia • george.chikhladze@outlook.com • [LinkedIn](#) • [Telegram](#) • [Github](#)

Senior .NET Developer with 12 years of experience, including 1 year leading a team of 3 developers, in large real estate, healthtech and telecommunication companies. Focused on developing scalable backend systems, high-load web-services and Web APIs. Proficient in .NET ecosystem, SQL-databases and architecture design approaches.
Looking for a new challenge around the world with visa sponsorship to apply my knowledge.

Professional Experience

Senior .NET Developer

NDA – One of the world's biggest online gambling company

Limassol (Remote)
